CAMPFIRES

Our opening campfire on Sunday provides you with the knowledge to tackle the week at GSR with plenty of laughs and skits!

Want to showcase a skit, stunt, or song in front of the entire camp? Now is your chance!

We encourage each unit to do a skit during our Friday closing campfire!

Our camp staff will continue to showcase our amazing skits! **To showcase your skit, it must be approved by the Program Director at the Thursday SPL Meeting- at the latest!**

If it's not quite ready, we'll help develop it!
